

#### About The Assessment

The Evergreen Sustainable Supplier Assessment is an online tool which enables suppliers to engage with the NHS on their sustainability journey and understand how to align with the NHS net zero and sustainability ambitions, including those set out in the NHS net zero supplier roadmap.

#### What have we achieved ?

Eco Ninjas is pleased to have completed the NHS Evergreen Sustainable Supplier Assessment. The Assessment is a self-assessment and reporting tool and resulted in Eco Ninjas receiving a **Level 2: Comprehensive net zero targets and reporting for carbon emissions.**

This is key to supporting us in understanding how we align with the NHS's long-term sustainability priorities and the pathway to progress. You can find information on the NHS net zero road map [here](#).
